#### CONDITIONS OF SALE

PRICES.—Prices herein are for the Wholesale Trade only and cancel all previous lists. They are based on current conditions and are therefore subject to change without notice.

It is intended that orders placed at prices in this list shall consist of not less than five plants of a kind and size, except as noted by \*\* double asterisks before certain items. Such items preceeded by \*\* may be ordered in quantities less than five.

TERMS.—Cash in full with order or satisfactory references are required of those not having established credit with us. To those having accounts, our terms are net thirty days.

RESERVE ORDERS are accepted upon the condition that they shall be void should injury from any cause not under our control befall the stock before shipment. A twenty-five percent down payment is required with each reserve order. If booked and not reserved by cash payment, we are not responsible for any variety or size being on hand when stock is shipped.

GUARANTEE.—We guarantee our stock to be well grown, true to name, properly packed and shipped according to instructions. In no case shall our liability be more than the original invoice value.

CLAIMS.—Claims for whatever cause will receive consideration only when made within ten days after receipt of stock. We will not be responsible for failure to fill orders in full or for any damage or delay to stock after delivery to the transportation company.

SHIPPING INSTRUCTIONS.—We request our patrons to furnish complete shipping instructions with each order, both as to destination and mode of shipment. Otherwise our best judgment will be used.
